

SKIP-A-PAYMENT

We're here to help.

Like you, we're monitoring the spread of COVID-19, which continues to be a growing concern in our community. If you're experiencing a financial hardship at this time, or simply need extra cash to get through the next few months, consider Skip-A-Payment on auto or installment loans.

Using the Skip-A-Payment option is a way to protect your good credit and give you extra cash to pay for the things you need right now.*

If the coronavirus situation has negatively impacted you, there may be other ways we can help as well. Please contact us at 402.763.6008 during regular business hours.

* Please note that interest will continue to accrue on the payment you skip. This may result in a longer term or larger final balloon payment than is stated in your original documentation regarding the loan. At the end of the loan, a higher total finance charge will be paid than if payments had been made as originally scheduled. Interest-only repayment loans and lines of credit are not eligible. All requests are subject to approval. Not all requests will qualify.

Reduce your Financial Stress in Three Easy Steps:

- 1 Choose which month you want to skip your payment, and
- 2 Contact ACCESSbank at 402.763.6008
OR
- 3 Bring your completed coupon to any ACCESSbank drive-thru location.
