

Getting set up for Mobile Banking is easy. Once you are signed up for online banking follow these simple steps and you are ready to go.

LET'S GET STARTED

1. You will need a computer and your smart phone together to complete the process.
2. Log on to your ACCESSbank online banking using your computer.
3. Click on
4. Under the Mobile Banking Profile Banner click
5. ACCESSbank's terms and conditions will be displayed. Once you have read and agreed to the terms and conditions please click
6. From the following mobile banking service options please select the type of mobile banking you prefer.

Select Services

Choose from a variety of mobile banking services. You can get basic account balance and transaction information, or receive full mobile banking capabilities that allow you to view account details, pay bills, transfer money, and more.

Please Choose a Service:

You may select any method you chose for your mobile banking but to enjoy the full benefits of mobile banking we recommend you use the customized Downloadable Application.

7. On the Account Selection and Configuration screen select;
 - a. Your time zone from the drop down menu.
 - b. The accounts that you wish to be accessible through your mobile banking app. Please also create nick names for each account (no more than 10 characters) for easy identification.

Account Selection and Configuration

1. Select your timezone which helps us to determine when to send alerts to your phone

Time Zone:

2. Select the account you wish to access through Mobile Banking and confirm their nicknames

Eligible Accounts	Mobile Banking Nickname
<input checked="" type="checkbox"/> totalACCESS (*1987) Checking	Allie <input type="text"/>

What's a Texting Nickname?

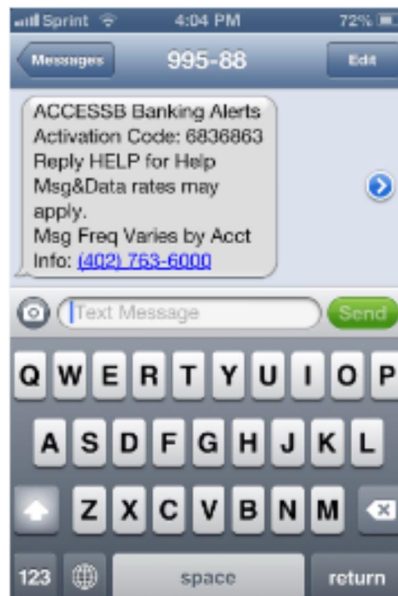

The nickname identifies the account in a text message. For example, to check your transaction history, text HIST followed by the account nickname, such as S1.
