

Here for a reason.

To help make your business *thrive*.

ACCESSbank.com

Every time you bank, you do it for a reason.
To grow your business. To make a deposit that
gets you closer to your goal. You've got
ambition. And at ACCESSbank, we've got the
resources to support that ambition. That's why
we're here - to make things happen that drive
Omaha forward. ACCESSbank. Here for a reason.

Local Decision Making

Quick Answers

Competitive Rates

Spend Less Time Running to the Bank and More Time Running *Your* Business

Business Online Banking

Streamline operations from wherever you are. View account balances, print statements, transfer funds and post loan payments internally. Initiate Stop Payments online and download account activity using QuickBooks, or Microsoft Money.

Remote Deposit Capture

Deposit checks directly from your office using our secure scanning software. Save time, money and improve cash flow instantly.

ACH and Wire Services

Electronically credit or debit your customer's, vendor's, or employee's accounts, and send direct deposit of payroll via online ACH origination. Easily initiate wire transfers with our Dual Control process to ensure accuracy and authenticity.

Positive Pay

Protect your accounts from ACH and check writing fraud. We monitor and alert you immediately if an item doesn't match your issued file. Your team makes the decision to pay or return the item.

APP Customer since 2016

Our Merchant Processing Services Give *Your* Business the Competitive Edge it Needs

Whether you currently have a payment processor or are just beginning to grow your business, our expertise will provide your business the competitive edge you need.

In addition to traditional credit card and debit card transactions, Access Payment Processing (APP) offers:

- Online internet transactions
- Virtual check services
- Customizable loyalty and gift card programs

Let APP help you earn customer loyalty, reduce processing time and create new revenue opportunities for your business. Give the team a call today to get started.
